Dear Madam:

I have been directed to write that at the Annual Meeting of The American Numismatic Society, President Newell in his address expressed appreciation of your having entrusted our Society with the loan of the valuable collection of your husband and a former president of our Society. He said:

"On behalf of the Society, I would like to extend our warm thanks to Mrs. Zabriskie for her generosity and her interest in our Society in entrusting this fine collection to our care where it can be available to students and enjoyed by our members".

At the termination of his address, a formal motion was made that this vote of thanks be regarded as an expression from the Society, and as such communicated to you.

It gives me great pleasure to inform you of this action.

Very respectfully yours,

Secretary.

Dear Sir:

I am wondering if Mr. Zabriskie's son, Christian A., I believe, has any interest in the medals deposited here many years ago. If he is interested in the subject of numismatics, I would suggest that he becomes a member of the Society of which his father was President for a number of years.

I should be glad to hear from you if he would care to consider the above suggestion, in which case I should be happy to propose him for membership at our next Council meeting.

Very truly yours,
